

DECADES “SPRINGING” CARE MANAGEMENT

**DON'T WAIT UNTIL IT'S TOO LATE
- SPRING INTO ACTION! -**

Decades “Springing” Care Management Program was created to provide you peace of mind in the event of a health emergency, a decline in physical or mental health, or the onset of a chronic illness.

**We create a support system for you and your family
by “springing” into action when you need it.**

Decades can serve you and your family in a variety of ways:

1. Decades can be designated as your Power of Attorney (Durable and/or Health)
2. Decades can act as an agent for those who are already your Power of Attorney
3. Decades can act as an emergency Power of Attorney if the person who you have designated is unable to fulfill those duties
4. In the event you become incapacitated due to illness or accident, Decades can be available for 24/7 emergency on-call service for you family

HOW IT WORKS-

- Your initial appointment is free.
- A one time set up fee (\$150, \$250 for couples) to cover costs associated with the gathering of your personal, medical, financial and legal information. We will assist you with the completion of any forms and procuring any legal documentation from your attorney.
- You are provided with an Emergency Packet of information, including a card for your wallet with our 24/7 on call emergency number to be used in the event of a medical emergency.
- Annual renewal fee of \$50
